## CRAFTWORK

Pinot Moir

sustainably farmed | estate vineyards MONTEREY COUNTY, CALIFORNIA

Honoring the best of traditional winemaking, the wines from our estate vineyards are handcrafted to showcase the natural expression of the vineyard, variety and vintage. In a world of flashy technology, some might call this hopelessly old-fashioned. We call it Craftwork.

## Tasting Notes

An elegant and stylish wine, with aromas of black cherries, raspberries and plums. Medium bodied, with soft tannins, the bright red fruit flavors balance a lingering, sweet oak finish. Craftwork Pinot Noir is graceful, balanced, and pairs beautifully with grilled salmon, roast duck, pork tenderloin or soft-ripened cheeses.

## Winemaking

The delicate Pinot Noir grapes are picked in the cool, early morning hours, at optimum ripeness. Upon arrival at the winery, they are destemmed and cold soaked at 50°F for three days to help stabilize color and enhance flavor. The juice is then fermented in open-top fermenters, punched down three times a day at the height of fermentation, and held on the skins for two weeks before pressing. The wine is carefully aged with a combination of new and neutral oak to craft a lush, elegant offering that displays bright fruit and vivid flavors.

## Vineyards

Of all varieties, Pinot Noir is the most sensitive to its terroir, and our cool climate estate vineyards, consistently produce top-quality Pinot Noir grapes. The small towns of Greenfield and Soledad are blessed with the perfect climate for this temperamental varietal, with evening coastal fogs that often linger until mid-morning. This allows the intricate fruit flavors to develop while preserving crucial acidity. A combination of right location and traditional winemaking allows us to craft a graceful and expressive wine that delivers classic Pinot Noir flavors, complexity, and a silky smooth finish.
